

Fever Pitch

Name:

Period:

In the boxes below, describe what the Mythbusters did for the Fever Pitch experiment.

**WHAT HAPPENED FOR THIS STEP**

|                                            |                                               |
|--------------------------------------------|-----------------------------------------------|
| <i>What did they predict would happen?</i> | <p>If...</p> <p>then...</p> <p>because...</p> |
| <i>How did they set up the experiment?</i> |                                               |
| <i>What did the experiment prove?</i>      |                                               |
